Doctors Portal – First Login

Steps below:

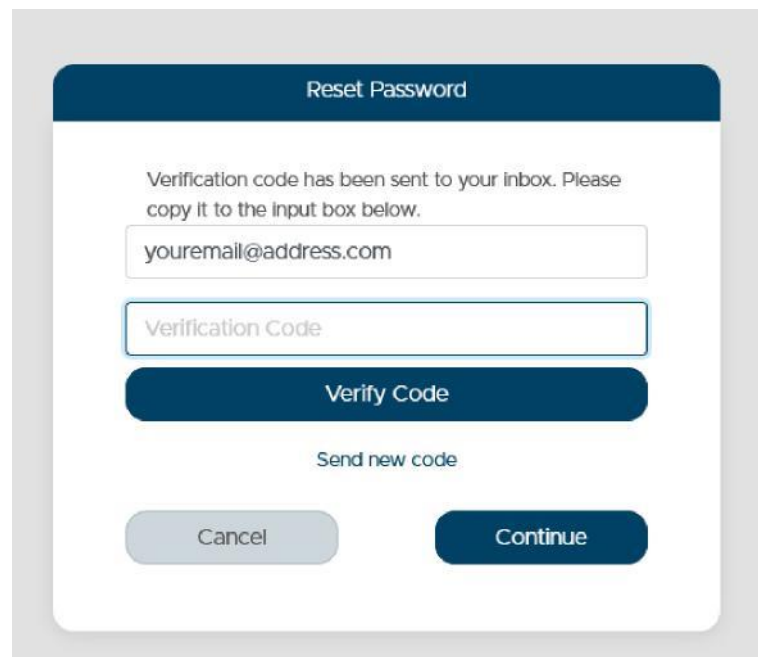

1. Go to the Doctors Portal webpage: <https://portal.medicalcouncil.ie>
2. If you are currently registered as a doctor with the Medical Council, you will automatically have an online account. Given this is your first time logging in to your online account you will need to reset your password using the 'forgot your password?' link. Please ensure you use your registered email address when resetting your password.

The screenshot shows the 'Login' page of the Doctors Portal. It has a dark blue header with the word 'Login' in white. Below the header, there are two input fields: 'Email Address' and 'Password'. A blue link 'Forgot your password?' is positioned below the password field. A large dark blue button with the word 'Login' in white is centered below the input fields. At the bottom, there is a link 'Don't have an account? Register now'.

3. You will need to enter your email and click 'Send verification code'. To verify your email address, you will need to go to your email and retrieve the code sent to your email address (example below).

4. Enter your code into the browser and click 'Continue'.

The image shows a 'Reset Password' modal window. At the top, it says 'Reset Password'. Below that, a message states: 'Verification code has been sent to your inbox. Please copy it to the input box below.' There is an input field containing 'youremail@address.com'. Below this is another input field labeled 'Verification Code'. A blue button labeled 'Verify Code' is positioned below the second input field. Underneath the button is a link that says 'Send new code'. At the bottom of the modal are two buttons: a grey 'Cancel' button and a blue 'Continue' button.

5. You will now be given the option to reset your password.
6. You can now proceed to log in to your account.
